SRINI FOOD PARK: INDIA'S LARGEST INTEGRATED FOOD PARK IN CHITTOOR, ANDHRA PRADESH, INDIA

We believe in extracting nature's finest offerings and creating products that nourish life. As a result of our close interaction with Nature, we have achieved the capability to skillfully blend natural ingredients with technological capabilities to achieve the perfect recipe for a balanced life.

From seed to shelf, Srinivasa Food Park facilitates end-end food processing with beneficial forward and backward linkages. On par with techno-intensive software parks, this new-age facility is equipped with Central Processing Centre and Primary Processing Centres. It aims at becoming a pioneering infrastructure enabler and facilitator for the Food Processing Industry.

CONTOUR PLAN WITH GRID LEVELS AT 5M INTERVALS FOR THE PROPOSED MEGA FOOD PARK AT MOGILI VILLAGE, BANGARUPALYAM MANDAL, CHITTOOR DISTRICT.

● **SRINI FOOD PARK:
ENABLING ADVANCED INFRASTRUCTURE
FOR FOOD PROCESSING INDUSTRY**

India is the 2nd Largest Food Producing Country in the world. Largest in terms of food grains and milk, and second largest in terms of fruits and vegetables. Food processing industry is growing at the rate of 7% and is expected to grow from US\$ 200 billion in 2008 to US\$ 310 billion in 2015 with the highest growth in the fruits and vegetables sector (20%). And Srimi Food Park is helping India gear up to meet the food processing demands of the future.

Nestled in a sprawling 140-acre space, Srimi Food Park is located at Mogili Village in the Chittoor Dist. of Andhra Pradesh, India. This state-of-the-art facility provides world-class facilities for pulping, IQF, bottling, tetra packing, modular cold storage, warehousing and advanced testing lab. It enables basic and supply chain infrastructure, cluster farming and is ably backed by field collection centers, self help groups and individual farmers.

SRINI FOOD PARK: RELIABLE, CUTTING-EDGE AND RESULT ORIENTED

- Strategically located
- World-class infrastructure and facilities
- Individual plots from 1.5 to 4 acres and combined plots for lease with pre-built factory space
- Uncompromising quality processes
- Reliable power, water and CETP
- Certified in-house testing labs
- Backward linkages directly with farmers
- Forward linkage with the retailers and exporters
- Creates critical infrastructure to fill gaps in the supply chain links between farmers and consumers
- Encourages leading-edge post-harvest management techniques for highest standards of safety, hygiene and product shelf-life
- Minimizes wastages at all stages in the food chain
- Focused effort to conserve Nature's precious resources through substitution and innovation

CHITTOOR: THE IDEAL LOCATION

- Approx. 150 kms. from major consumption markets like Chennai, Bengaluru, Tirupathi - all with International Airports
- Accessible to Chennai & Krishnapatnam seaports
- Declared as an Agri Export Zone by the Govt. of India
- Home to numerous small food processing units and SMEs catering to both the domestic and export markets
- Presence of a large number of suppliers, marketers, logistics providers
- Availability of skilled labour
- Easily accessible by air, rail & road
- Has the advantage of special govt. incentives

FROM SEED TO SHELF: AN INTEGRATED APPROACH

Srini Food Park adopts a unique, integrated approach to ensure quality distinction at all stages of production. The Company believes in value addition right from the grass roots level. It is equipped with a Central Processing Centre with common facilities and Primary Processing Centres for raw material sourcing and backward linkage.

PRIMARY PROCESSING CENTRE:

- Cleaning / Grading / Sorting
- Weighing & Packing
- Cold rooms
- Tamarind processing
- Ripening chambers
- Reefer vans
- Mobile pre-coolers
- Collection vans
- De-shelling

COMMON FACILITIES AT THE CENTRAL PROCESSING CENTRE:

- Multi fruit processing line-Aseptic filling
- Sorting / Grading / Washing
- Cold storage (Modular multi-product RH controlled with - 20 to +18 C)
- Individual quick freezing
- Dry warehousing
- Copacking facility - tetra pack & pet bottling line
- Labelling
- Repackaging
- Ripening chambers

A FRESH NEW CONCEPT IN THE FOOD PROCESSING INDUSTRY

FOOD AS IT HAS TO BE...SAFE, TASTY AND FRESH!
